Public Works Department.

G.O.Ms.No. 3802 — Dated 18th September 1953
Read the following:-

From the Chief Engineer (Electricity), No. 811/ SA/ AO/C1/51 dated 1-7-53.

ORDER:

The following amendment will be issued to the Madras Electricity Department Manual, Volume I:-

Amendment.

(a) Insert the following as Note under paragraph 393:-

"Note:- The maximum and minimum limits referred to in the paragraph will not apply to construction works, provided that the purchase of materials for works are kept within the reserve limit of stock fixed for the Construction Circles."

(b) Insert the following as Note under paragraph 438:-

"Note:- In the case of Construction Circles, however where materials are stored on the basis of works taken up for execution and kept in stock so long as the particular works are in progress and utilised on specified works, fixation of such maximum and minimum limits for each article need not be insisted upon."

(By Order of the Governor of Madras)

T.N.S.Mani,
